Objective: Giving design character and personality

Qualifications:

Highly creative and multitalented Graphic Designer with 8 years experience in multimedia interactive design, concept and marketing design strategies, print, animation, web design, and much more. Exceptional collaborative skills and a great team player with developed written and verbal communication abilities. Highly skilled in all Adobe products and design programs, possess experience in many areas of the graphic design industry. Passionate and creative designer, who loves to come up with new concepts and directions to approach design. Accustomed to performing in deadline-driven environments, and works great under pressure.

Work experience:

2007-2010 Senior Graphic Designer at WIS NEWS 10 / NBC-affiliated station

Promoted from Graphic Designer. Increased responsibility, including over seeing projects to assure completion of deadlines provided, from concept to final product. Working directly with department heads in creating and developing graphics for new on air look and the internal station graphics. Nominated for a South Carolina Broadcasters Associate Star Award for outstanding graphics in a Public Service Announcement.

2005-2007 Graphic Designer at WIS NEWS 10 / NBC-affiliated station

Worked with a team of designers at the number 1 local television news station in Columbia, S.C. Job requirements included designing on air graphics, animations, web development, online advertising, video production, and print pieces. Worked with a number of different departments including in house production company Take Ten Productions, to create and produce Emmy award winning graphics and on air pieces.

2004-2005 Graphic Designer at Carolina Retail Packaging

Job requirements were to design and print wholesale bags. Was in charge of over all design of bags and getting them ready for print. Had to communicate professionally with print department and over see procedure to ensure product was correct. Designed top selling bag line while employed there, created concept and ideas as well as designed bags and supervised final production.
